CHAPTER 147

MILK ADULTERATION

H. F. 666

AN ACT to add two categories to the milk adulteration categories; to add such categories to the unlawful milk definition, and to provide for additional testing authority and correct certain existing testing standards.

Be It Enacted by the General Assembly of the State of Iowa:

- 1 SECTION 1. Section one hundred ninety point four (190.4), Code 1966,
 2 is hereby amended by adding thereto the following two new subsections:
 3 "If obtained from a cow which has consumed chemical, medicinal, or
 4 radioactive agents capable of being secreted in milk.
 5 If obtained from a cow in a mastitic condition."

- 1 SEC. 2. Section one hundred ninety-four point four (194.4), Code 1966,
 2 is hereby amended as follows:

- 3 1. By inserting in line fifteen (15) after the word "deterioration" the
 4 words ", or which contains matter evidencing production from a mastitic
 5 cow; or which contains chemicals, medicines, or radioactive agents deleterious
 6 to health".

- 7 2. By adding thereto the following:

- 8 "At least four times in every six-month period a test shall be made
 9 of each producer's milk to determine the existence of evidence of produc-
 10 tion from mastitic cows. The secretary shall determine and promulgate the
 11 standards and methods of testing the milk for this purpose being guided by
 12 recommendations or regulations established by federal agencies regulating
 13 in this field."

- 1 SEC. 3. Section one hundred ninety-four point six (194.6), Code 1966,
 2 is hereby amended as follows:

- 3 1. By striking lines six (6) through eight (8), inclusive, and inserting in
 4 lieu thereof the following:

- 5 "approved test for that purpose, except that testing shall be done in an
 6 officially designated laboratory at least once every thirty days where a
 7 standard plate count or an equivalent plate counting procedure is used."
